THE LOCAL STARTS HIS CAREER IN GOOD FASHION

The Local was superb on his both of his debut runs this prep.

We always liked the gelding and have taken our time with him. Although still green and learning his craft overall it was an arrogant couple of first wins. He looks to have a bright future when he puts it all together but for now he heads to the paddock for a very well earned break.

See below an update of the percentages we have remaining in each horse.

So You Pence into the 2026 Kosi

Ready To Rush

5/9 Royal Randwick 1200m Class 3 - 13th

Ready To Rush was second up today after a fantastic win first up, she just found the 1200m a stretch to far.

Super Norwest

5/9 Royal Randwick 1200m BM78 - 12th

Super Norwest was first up today after only being in work for 7.5 weeks so it wasn't a bad run but we may look to head up to Queensland next start.

The Local

11/9 Goulburn 1100m Maiden - 1st

The Local had his first career start today and it was super impressive, we have always liked this gelding and he didn't disappoint. Looks to have a nice career moving forward.

Costalivin

11/9 Goulburn 1300m Class 1 - 2nd

Costalivin was second up today after a solid first up performance, she jumped well and was rated beautifully in front, she was headed numerous times before digging deep to run a game second.

Snap Decision

11/9 Goulburn 1600m BM58 - 9th

Snap Decision had a big weight today from a good gate and we couldn't have been happier with him going into this today. As soon as the gates opened it was race over, he missed it by 2L and on a firm deck being that far back he was never a chance from there.

This Ain't Texas

15/9 Moruya 1210m Maiden - 4th

This Ain't Texas from a freshen up, jumped well and travelled fine in fourth position and finished in fourth position. I thought she would have been a pair further forward here which may have helped her finish in the placings.

Ready To Rush

19/9 Royal Randwick 1000m Class 3 - 8th

Ready To Rush third up today at a much more suitable distance, but just fell short of her best yet again. She has been in work for 6 months or so, we will look to freshen her up for Melbourne Cup day in Sydney.

Hidden Motive

19/9 Royal Randwick 1100 BM88 - 10th

Hidden Motive first up today after three trials, we were softened up by Ice Kool through the run but he was still below his best yet again.

Wild Boom

20/9 Armidale 1400m Maiden - 3rd

Wild Boom had his first career start today after showing us limited ability at the trials, to be fair to Wild Boom he jumped well today and travelled great throughout to finish a game third.

Snap Decision

20/9 Nowra 1600m BM58 - 1st

Snap Decision fit now and with headgear applied was expected to run well here today and didn't he what, carrying 60.5kg off a 9 day back up in a slowly run race he let down beautifully with a great ride by Brodie.

Perini Miss

22/9 Taree 1313m Maiden - 5th

Perini Miss first up today after two trials, jumped well and travelled well she was just no match for the other 4 in front of her. She has slightly improved and looking for ground we feel.

Costalivin

24/9 Goulburn 1500m Class 2 - 1st

Costalivin third up today and up to the 1500m for the first time, she jumped super and travelled great throughout the run. Keegan asked for an effort at the 450m mark and she was just too tough in the end.

The Local

24/9 Goulburn 1100m Class 1 - 1st

The Local second up today after an emphatic win and he backed it up yet again with a very good win in just his second start. He will now head home to the paddock to further mature.

Poetic Belle

25/9 Sunshine Coast 1000m Maiden - 3rd

Poetic Belle had her first career start today, she was slow to get away on a soft 7 track & just slightly overdid it in behind the leaders which meant she was a bit soft late. Overall an encouraging first career start and she will learn a lot from that.

Zou Force

26/9 Rosehill Gardens 1500m Class 2 - 9th

Zou Force third up & better gate today, didn't help unfortunately. He was fractious in the gates and under performed, he did pull up with heat stress as it was very hot today. Too bad to be true.

Bombay Boom

28/9 Wagga 1000m BM66 - 5th

Bombay Boom with 61kg today, jumped fair, travelled good was just weak late. When challenged he can be weak so it's what we expected to be fair with today's map.
